

THE EB-5 PROBLEM: DELAY AND TAXATION

1. EB-5 processing is taking a minimum two to three years
2. Chinese applicants take longer, realistically five to eight years
3. Conditions on green cards take another three years to remove
4. Permanent residents are taxed on world-wide income
5. Chinese citizens not eligible for E-2 visas because no U.S./China investment treaty exists

THE SOLUTION - E-2 VISA

Become a United States E-2 work visa holder within 6 months with your family.
